MURTAGII, Proprietor, NATIONAL REPUBLICAN, Washington, D. C.

IN THE DISTRICT OF COLUMBIA. PRIDAY MORNING.....JUNE 5, 1874.

THE Assistant Secretary of the Treasury, Mr. Sawyer, will tender his resignation to the President, inasmuch as he wishes to save Secretary Bristow from any embar-

rassment on his account. on the par value of the stock.

newspaper abettors have always been apparent, but never more so than now. To Means and in Compress, at the behest of the know just what they are see the columns wealthy law-breakers, it is no wonder that of the New York Sun and Tribuns and he shrank appalled from the thunders of Baltimore Sun since Monday. They be- the press, armed as it was with misrepregin to see that their pet project of placing sentations and lies, which were glibly this District, financially and politically, in reiterated upon each refutation as blandly the hands of a "receiver," to "administer" as though they had never even been deupon the "estate," is dead in the commit- nied. What could he do but tender his tee, and they show their teeth in an unmis- resignation? takable manner. They confidently counted 'public sentiment !"

exist? And to accept it, too, at the dicta- everything else. An error ever, candidly tion of a gang of newspaper harpies who threaten any man with political death who dares disobey their commands, and who inspired this investigation solely as we THREATENING THE COMMITTEE you mean to control it yourselves, or excited. The men who have been floor slanderers?

mittee, but we do know that one or two of their condemnation, and brand them as their eschemes of the malcontents and their newspaper allies are dead. And we written utterances of these gentlemen, it is evident that they are very uneasy. The their impotent rage and for their bold and presses which they have so long used to Republican members of Congress, in the are now using to sustain themselves. dering and ratifying just such a verdict as the blackmailing Sun and its confederates demand. If any Republican now feels this

ment to the persuasions of his friends.

The great error of his administration was Willard, one of our largest property-holdnot either ignorance of his duties or incapa- ers; Dr. Blake, one of our most respected city to perform them. His ignorance was citizens, shall be incapacitated from holdsimply of the ways of the world of poli- ing office in this city in the future; shall be tics and laid chiefly in ignoring Newspaper condemned as dishonest and unfaithful to Row. He not only did not run after the their trust, merely to gratify and sustain a specials, but he did not even load and fire man whose reputation rests upon the theft the Associated Press guns. True, this was of a treaty; who was saved from the county a sin of omission, but the Secretary proba- jail by a legal technicality. The threats of bly never dreamed of having committed it these men are simply infamous, a disgrace until the foolish laugh was raised upon his to journalism, and an insult to the commitproposition to substitute small coins for tee and to Congress. fractional currency. He, no doubt, then wondered what was the matter with the boys on the Row. Upon the sound principle that our approach to the space hasis must that our approach to the specie basis must be very gradual, not to create a dangerous revulsion, but that such an approach should be commenced, and the sooner the better, his conduct was not only defensible, but tinguished army officers, which led to the praiseworthy. Newspaper Row, however, adoption of this arm, and an estimate from the payments to scorn. The great West, too.
which enjoys and admires only great things
—even to great fires and great smashes—
joined in the ridicule without even waiting
to think that it would be perfectly easy to joined in the rigidule without to think that it would be perfectly easy to the great value of the Gatling gun, and the increase the five-dollar payments of change necessity that this country be supplied with to ten, as the coinage would permit, and them, as has been done by other first-class

small augers;" not they.

The Secretary disdained to defend his policy. He did not offer to compromise with the "Row." He did not either solicit or retain the services of the press. The latter, knowing full well that he could not afford to deny or otherwise notice its ab-Mail subscribers, \$2.00 per year; \$4.00 for six surd statements, continued to fulminate and months, and \$2.00 for three months. Terms incirculate them. His annual report, full of sound financial views, did not elicit from it a single word of praise. His name was rarely mentioned except in ridicule or When the panic struck the nation in Sep-

sky the metropolitan press joined the Wallstreet mob in their infuriated clamor for the circulation of the reserve. The Secretary hesitated, opposed, advised against its use, but finally yielded, in company with the President, this point to stay the fright and THE REPUBLICAN HAS A LARGER CIRCU- recall the money-kings to reason. In less LATION THAN ANY OTHER MORNING PAPER than ninety days the same press that clamored for the reserve in their extremity commenced to abuse the Secretary and the Executive for the use of it. The danger being over for the present they forgot their former hue and cry against the execution of a law of Congress by the Secretary for the collection of delinquent taxes from rich estates and corporations. Here, again, GOVERNOR SHEPHERD yesterday sold his the metropolitan press became the stock in "The Evening Star Newspaper organs of the merchants and banks and Company," the remaining members of the bankers, and rallway, insurance and other company buying in his interest in equal corporations, who were able and willing to proportions. The price paid is understood pay, in a war upon the shrinking and sensi. of a lengthy debate in the House yesterday, to be at the rate of fifty per cent. premium tive Secretary, who felt that he was right, and the Fort St. Philip canal appeared to be but in the consciousness of his rectitude chose rather to leave his vindication to time than to make a fight in his own behalf. The scandalous purposes of the ring of Deserted in the most cowardly manner, and Columbus Alexander malcontents and their thrown into the hands of the Democrats by

The President and Senate have stood on a majority of the committee for their nobly by him and vindicated his fair fame corruptly partisan scheme, and having been and his spotless integrity by investing him deceived, their rage and venom know no with the judicial ermine of the next to the bounds. The New York Sun impudently highest tribunal in the land. He will no cracks the whip over Senator Allison's doubt grace this position with dignity and shoulders and warns him that if he dares honor to himself and country. But the to obey his own convictions instead of its pack which has hounded him from the commands it will seal his political doom. Treasury has already notified his Too late! Mr. Dana, you don't own more successor that his success in the than one member of that committee, and administration of the Treasury Department we doubt whether he will care to stand must depend upon the amount of their before his colleagues in the House of Rep- counsel and advice he is willing to receive. resentatives wearing your livery. The If he succumbs to them they will fawn Baltimore Sun, feebly copying the man- and flatter him, and eat the crumbs he flings ners of its New York pattern, indulges in to them. If he ignores them and their adlow abuse of Senator Stewart, while the vice, simply attending to his official duties, New York Tribune is reduced to the mere they will bark at, and, if he scares, they parrot-like reiteration of the desires of the will bite him. But if he is able to accord most malignant memorialists, which it calls to the representatives of the press their just privileges as the medium of communication Republicans in Congress, are you pre- with the people at the same time that he pared to accept the condemnation of your faithfully administers his office, and epublican associates who have laboriously, thus frankly keeps the country advised of patiently and judicially endeavored to get his policy, and the success with which he at the truth during these three long months! is inaugurating and administering it, he can Who have spared no effort, shielded no with safety rest the vindication of his man, fatled in no purpose to uncover every course with the people themselves. They wrong, evil or abuse that was supposed to appreciate candid honesty in officials above

The public is invited to attend to the Temperance Union. The public is invited to attend to the Temperance Union. defeat? Are you under so many obligations District government and enlarged upon to this class for kindly, considerate, and every syllable that told against it, are now KIRKWOOD'S INHALER IS THE just treatment in your public lives that you endeavoring to obtain from the committee an ending to confess that your wisdom, an indorsement of all that they have pubsagacity and courage are less potent to mold lished. The anxiety of these persons is correct conclusions in District affairs than quite natural. If a majority of the comthe malice and falsehood of papers like the mittee, acting as judges in the matter, and New York Sun and its kindred broad of impressed with some degree of responsibility, shall fail to look at the testimony from We do not know what results will be their point of view and give a verdict achieved from the deliberations of the com. against them, it will, of course, carry with SPECIAL INSTRUCTION impudent attempt to apply the lash to the strike down the District government, they To that end the members of the Joint

lash, he will know for what purpose it is applied.

Take, for instance, and 3 to 5 p. m. an "have been working with the greatest cau-"tion and secrecy" to influence the com-This gentleman, who has just passed from the Cabinet to the bench of the Court of Claims, has suffered long and deeply and silently from most ungenerous attacks as have them. Never mind about the and silently from most ungenerous attacks us have them. Never mind about the by the opposition, sometimes yelept inde- "pleasantness." And, again, "members pendent press. Educated to the bar, and "of the committee must understand that so called early to the bench of his native "intense is popular feeling that the sug-State, he led a quiet, studious life, and soon "gestion of a whitewash in their report acquired an enviable reputation as an au- "will cause their political death." "Popular feeling" where? In the Tribuns Never having mixed actively in politics office? Where is the evidence, the it was with the greatest reluctance that he manifestation of it? But the crowning consented to accept, even for a few months, impudence of the Tribune correspondthe office of Assistant Secretary of the ent asserts itself in the following Treasury. Perhaps he then distrusted his sentence: "There are two or three things ability to cope with the adroit political "that those who have brought about the inmanagers and unprincipled tricksters with "vestigation, and who now desire to see the whom he foresaw that he should be brought "ring utterly destroyed, demand." "Dein contact in the Treasury Department, mand" is good. But who are they who He at length gave up his own better judg- demanded the investigation? Zebulon White, a reporter of the New York Tri-If his views of finance were not so broad bune; A. M. Gibson, of the New York and comprehensive as some could have Sun, and the forty or fifty note-shavers wished, they were, at least, sound, as far as and obstructionists, whose principal busithey went, and no one doubted that the ness in this city has been to prey upon the revenue laws were administered by him, so poor and the oppressed; who have been far as he had personal cognizance of their again and again beaten at the polls and in workings, with an eye single to the faith- the courts; who, for the most part, were ful collection of the dues accruing to the slavers during slavery, and rebels during rebellion. These men "demand" that Mr.

WE WERE in error yesterday in stating under

Gatling guns was for experimental purposes . At the last session of Congress a small ap-propriation was made for this purpose and experiments were entered upon by a board of disnever does anything in a small way. In fact, it rather depises the day of small commenced by the board as needed the first of things. It laughed the five-dollar coin July to commence the armament of our forting payments to scorn. The great West, too. cations. The report of this board of officers, you want at other places, try the Temple Drug Store, F and Ninth streets.

HOMEOPATHICREDICINESAND good of the Corner of the Cor much easier and better to do it in that way Powers. It is to be regretted that the entire WRAPPING PAPER FOR SALE than to promise great payments in the first amount estimated has not been approved by

instance, and fall to make them for want of the committee of the House, but it is boped coin. They never "bore large holes with that the Senate will be more liberal in their appropriation for this most successful mitrailouse of the age.

SENATOR SCOTT made an adverse report yesterday from the Committee on Finance upon a
resolution asking for information of names of
delinquent disbursing officers, and the balances
due by them, and what measures have been
taken to collect the same. This is right—not

At JOHN A. BAKER'S taken to collect the same. This is right—not because the information is not proper to be given, but because it is generally contained in the annual reports of the Secretary of the Treasury, Solicitor and Comptroller, and can easily be obtained by a slight search. In the present instance a new collection of the information called for would have involved several months' time and an expense of \$75,000.

Members of Congress are much in the habit of the information called for would have involved several months' time and an expense of \$75,000.

Members of Congress are much in the habit of the information called for would have involved several months' time and an expense of \$75,000. tember like a clap of thunder from a clear Members of Congress are much in the habit of calling for information whenever they think they want it, regardless of the expense, and not unfrequently when it is contained in the documents accompanying the last one, two or three messages of the President.

THE Senate yesterday discussed cheap transportation. It is somewhat remarkable that Senstors should have instanced the Pennsylvania canals, which traversed an unfavorable route and were never finished, to show the fallure of canal transportation as an economical supplications for succor, and joined in a method of moving agricultural products, when the New York canals are living monuments of the striking success of that method. These Senators will next advocate the construction of railways, for the transportation of logs to mill and lumber to market, as being cheaper th. n

THE bill providing for the improvement of the mouth of the Mississippi was the subject the favorite project as offering the surest and most permanent relief. Ten or a dozen im portant bills were passed.

THE House yesterday passed the bill to charter the New York and Washington Steamship

MARRIED. WILLIAMS - BolloEN. - At L-street Baptist church, on June 4, by Rev. C. Robertson, GEORGE R. Williams, of Alabama, and Miss KattleSmith, daughter of Mr. Albett Bolden, of this city.
